The Ocala soap tree is causing much comment. Wonder if it produces the soft kind Editor Harris of The Banner is using on the trusts he is so graciously defending?

Judge P. W. White of Quincy celebrated his 86th birthday anniversary May 25th, and he received the congratulations of his hundreds of friends and neighbors.

The Sunday ball game at Jacksonville between the home nine and Savannah was the biggest thing of the season. There were 500 Savannah fans present and Tampa also sent a big delegation.

The Gadsden County Times says: "The Gainesville Sun claims for its town the worst sidewalks in the country." The Times is mistaken in the name. The Sun never made such a statement.

The Brooksville Star says: "We are told that the work of extending the Brooksville & Hudson Railroad to Tampa is being pushed, and before very long we will have a southern outlet other than the Atlantic Coast Line, which has always ignored the interests of our town."

F. B. Stoneman of The Miami Evening Record, who was looking over The Jacksonville Daily Sun with a view to purchasing, will not make the venture. Editor Stoneman is a newspaper man of ability, however, and it wouldn't hurt The Sun to have a man of his abilities at its head.

While moving the cruiser Yankee about the Key West harbor Sunday night without a pilot the tug Oseola was called to her assistance. A hawser was attached to the cruiser, but it slipped, and a sailor named B. Hahn of St. Louis was killed. The end of the hawser struck him full in the face and broke both of his jawbones, killing him instantly.

**Fire to Fight Consumption.**  
Richmond, Va., May 30.—If the advice of Richmond physicians is followed many houses will be burned to the ground to rid them of the germs of tuberculosis. This remedy is, of course, costly and is in the majority of cases impracticable, but the doctors assure the people that there is no other way to assure the absolute destruction of the consumption germs and that it would prove cheaper in the long run to destroy valuable property, the retention of which eventually means the loss of many precious lives.

#### A Creeping Death.

Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at all drug stores.

#### SITUATION IN CHICAGO.

**Strikers Expect Many Additions to Their Ranks.**

Chicago, May 30.—Additions to the strike forces was expected today when all the firms in the hardwood lumbermen's association began to make deliveries to strike-bound firms. There are 25 lumber firms in this association employing about 125 team drivers. Twelve of the firms are on strike and the other probably will follow.

We are going ahead with our deliveries, said Theodore Fathauer, president of the association, and by night I expect every driver in our line of our business will have quit. We are ready to replace the union men immediately with nonunion drivers, and anticipate no delay to our customers.

#### Georgia Normal School Closes.

Athens, Ga., May 30.—The tenth commencement of the State Normal school closes today. The large auditorium was packed to the doors with people who had gathered to take part in the religious exercises of commencement Sunday. The services were opened with the song, "Come, Thou Almighty King," after which Rev. J. J. Bennett, of Griffin, offered prayer. Miss Louise Bryan, of the senior class, sang a solo, "One Sweetly Solemn Thought." The baccalaureate sermon was preached by Rev. J. J. Bennett.

#### Alabama Bankers Adjourn.

Mobile, Ala., May 30.—The state bankers concluded their sessions and chose Anniston for the next place of meeting. The session was devoted to short addresses by various delegates and visiting bankers. The following officers were elected for the ensuing year: J. F. Johnson, Greenville, president; W. M. McKleroy, Anniston, vice president; E. J. Buck, Mobile, secretary and treasurer. After adjournment delegates and guests were taken on the revenue cutter Winona to Point Clear, where a banquet was served.

#### Juggling With Dynamite

Is no more dangerous than to neglect kidney disorders. Foley's Kidney Cure corrects irregularities and has cured many severe cases after other treatment has failed. It builds up the worn out tissues and restores health and vigor. "I was troubled with kidney complaint for about two years," writes A. H. Davis of Mt. Sterling, Iowa, "but two bottles of Foley's Kidney Cure effected a permanent cure." Sold by J. W. McCollum & Co.

#### Whooping Cough.

Whooping cough is more infectious before the whoop develops than it is afterward. Children who have been exposed to the disease and have a slight cough should be isolated for several days lest they communicate it to other children. It may begin at any time during three weeks after exposure. When this time has passed without the symptoms appearing the child is probably safe.

#### Evidence at Hand.

"Ah!" sighed the man with the scanty hair. "Shakespeare spoke truly when he said, 'The evil that men do lives after them.'"

For, be it said, the scanty haired man had recently married a widow with a ten-year-old son who was a terror.—Chicago News.

#### The Main Point.

"I will have a great deal to say when I get started," said the young congressman.

"My friend," answered the veteran, "it isn't the man who has things to say that counts. It's the man who gets a chance to say them."—Washington Star.

#### Early Training.

"We think baby will make a great politician."

"Why?"

"Well, he crawls out of everything so easily."—Puck.

Industrious wisdom often prevents what lazy folly thinks inevitable.—Simmons.

#### Do Not be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. Sold by J. W. McCollum & Co.

**A Woman's Criticism.**

"Women generally go against their own best interests, don't they?" a blond girl asked reflectively. Her companion at one of those cozy little tables in a downtown shop that give one a chance to rest a few minutes after the matinee and talk over the play over a cup of chocolate only smiled, and the blond continued: "Do you see that little one act comedy at the table across the room? Madam over there came in with her husband and a cross frame of mind awhile ago. Perhaps it was a new hat she couldn't have, but anyway she wouldn't talk to him at all, and he made innumerable efforts to be pleasant. I was thinking what a goose she was when another man came in, the one she is smiling at now. Both bowed to him, and madam's husband invited him to their table, and madam, for the sake of appearances, of course—she couldn't afford to be disagreeable before him—began to chat brightly. Chances are she doesn't really care a straw about this newcomer, but she is nice to him. If she had as much wisdom as I," continued the blond, "she would have been as sweet to her husband—much more worth while."—Minneapolis Tribune.

#### Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by J. W. McCollum & Co.
